Ceremony

The wedding ceremony is one of the highlights during your wedding day and can also be arranged here at 7A Strandvägen. Say yes in front of your loved ones in one of our beautifully decorated venues with a romantic atmosphere and tasteful décor.

Champagne toast

The guests arrive and it is time for the traditional greeting for the bride and groom. The champagne toast is served in our corner room 303, next to the diner room where the wedding dinner awaits.

Lighter snacks are included in the package price, but canapés can be added at extra cost. Ask us and we will tell you more!

Wedding dinner

Behind the double doors, we are ready to serve you and your guests an unforgettable wedding menu with a stunning view of Nybroviken. Dinner is served in our largest room 300. Customize your preferred wedding menu or choose one of our set dinner menus.

Wine package

The house wines are included in our wedding package. However, our sommelier is happy to recommend selected drinks according to your wishes. Drinks can be purchased per bottle, glass or as a complete wine package. It is of course possible to replace wine with beer, cider or non-alcoholic drinks!

Wedding party

After the wedding dinner it is time to get the party started in one of our salons. Here you can dance until your feet give up until 01:00. Choose whether you want an open bar or if you want to let the guests pay for drinks themselves. We are happy to help book a DJ or a live band that makes sure this will be an evening your guests will never forget!

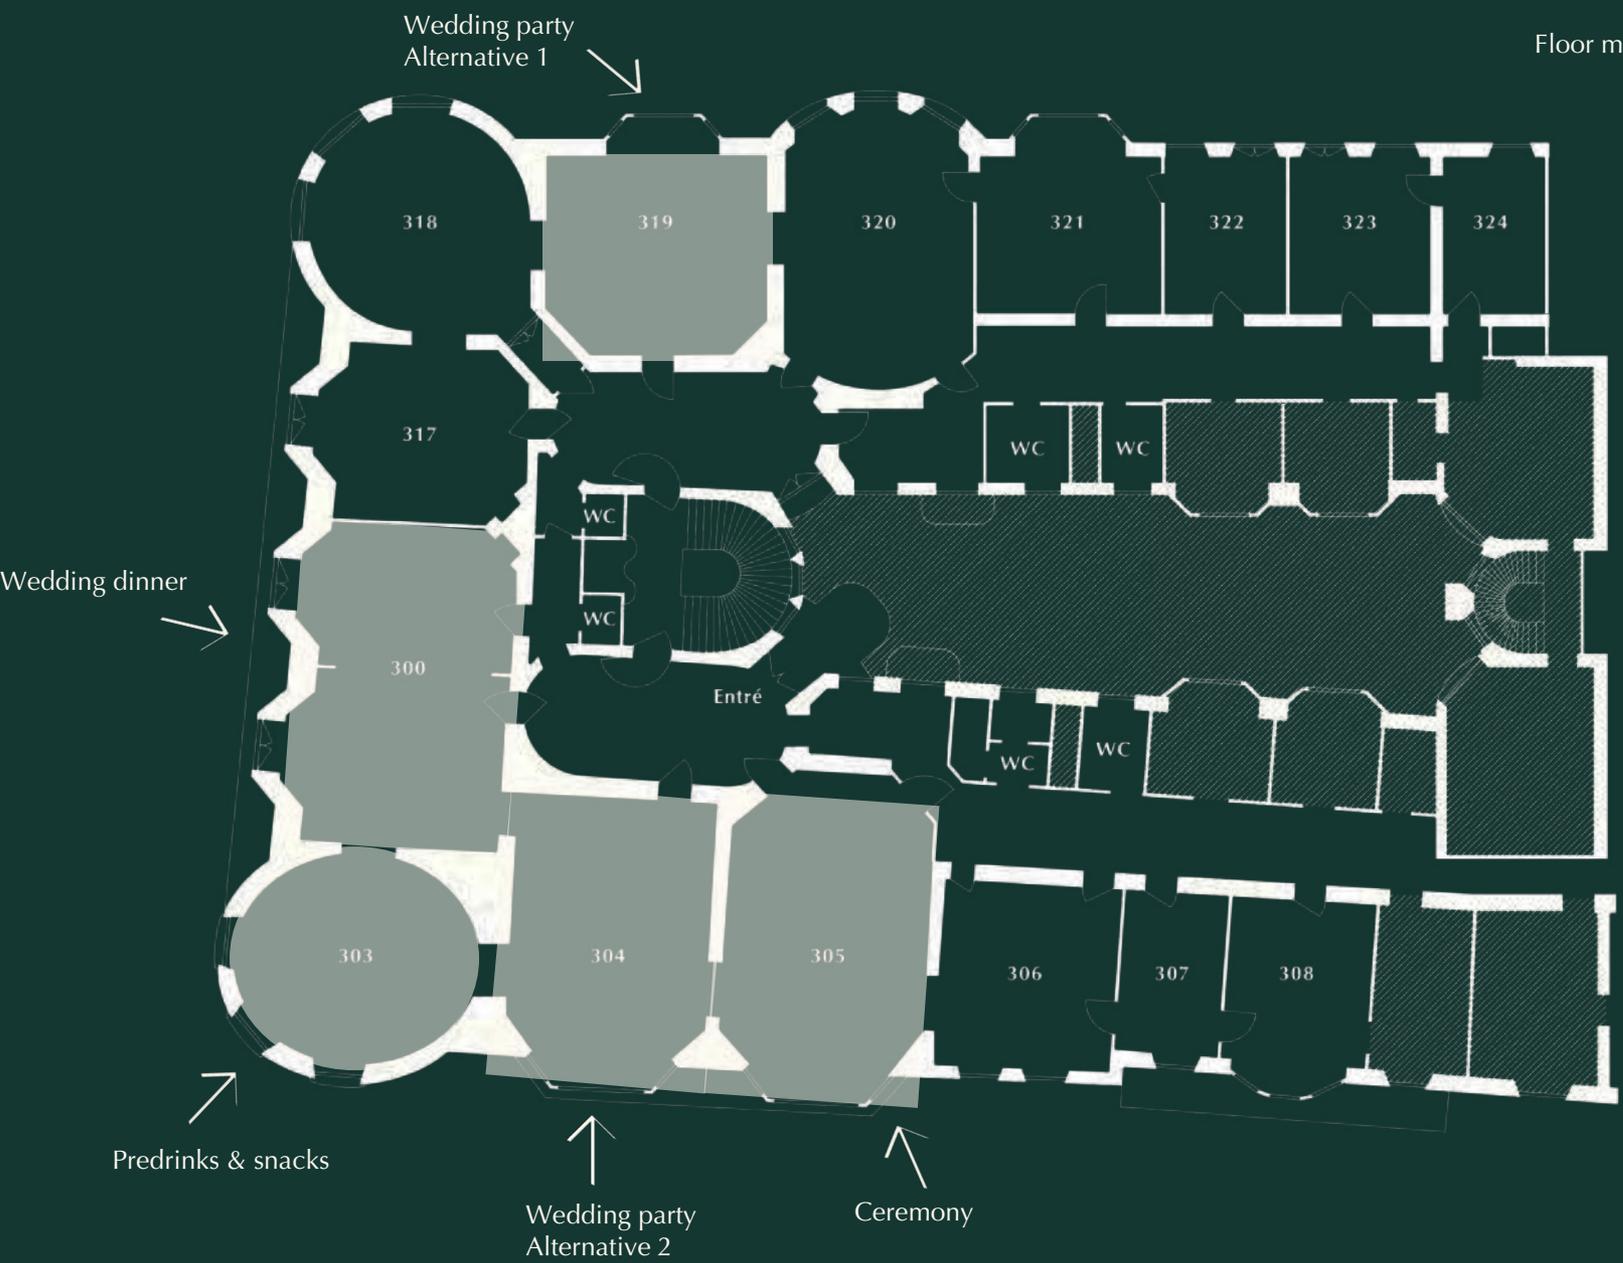

Midnight meal

After a wonderful evening with a lot of dancing, a midnight snack is always appreciated. We arrange food and drinks according to your wishes, but sausages with bread are always a popular snack. We can also arrange vegetarian alternatives, of course!
